The all-in solution for chopping, draining, washing and storing your food preparations. The kits transform any sink with a bowl dimension of up to 54 cm into a stylish and playful workstation. All-In is the flexible food preparation system designed to bring more flow to your kitchen and life.

\*Sinks up to 540mm in width

## Prepare

Using the bamboo board, telescopic bridge, strainer and collector bowls, All-In can help you:

- Chop vegetables and other ingredients,
- Collect the cut food,
- Collect peeling and deal with waste,
- Store prepped ingredients in the fridge.

## Cook

The bridge, strainer bowls and foldable roll mat are really useful at the cooking stage and you can:

- Rest pots and pans on the bridge while filling them from the tap,
- Use the strainer to drain pasta, or other ingredients,
- Stand hot pans and dishes on the foldable roll mat to protect work surfaces.

## Clean

When it's time to wash up, the bridge, strainer bowls and foldable roll mat can also help you to:

- Drain glasses and dishes,
- Drain cutlery and cooking utensils.

# warranty policy

## FRANKE SOUTH AFRICA PTY LTD ("Franke") product WARRANTY (Franke Officially Released Edition Jan 2025)

This warranty applies to products ("the Products") manufactured or supplied by Franke within the Republic of South Africa, Namibia, Botswana, Lesotho, and Swaziland only.

This is the only Warranty given by Franke. All other warranties about the Products including common law warranties are excluded to the maximum extent permitted by law.

Franke does not warrant the Product against defects such as dents or scratches that out to have been visible to the Customer at the time of sale. Customers must ensure that the Product is free of visible defects before purchase.

Franke only warrants products that are bought new and unused by the claimant from a Franke-approved merchant.

Warranty claims are subject to the following terms and conditions:

1. A warranty claim will only be accepted if:
  - 1.1 The Product has been used in an application and in a manner that is suitable for the design and specification and use of the Product intended by Franke. Instruction manuals and guides regarding maintenance and use of the Product are either supplied with the Product or are available on the website [www.franke.co.za](http://www.franke.co.za)
  - 1.2 The Product is installed by a competent and suitably qualified installer and per Franke's applicable instructions.
  - 1.2.1 Accessibility is an essential prerequisite for conducting service or product replacements.
  - 1.3 The Product has not been tampered with or modified in any way.
  - 1.4 The product has been maintained and not damaged through misuse or abuse including abuse or misuse that results from exposure to adverse climatic conditions. Abuse or misuse includes:
    - 1.4.1 Direct (as in direct contact in using or using the product in conjunction with unsuitable chemicals and materials that could cause damage to the Product) or indirect exposure (as in storing unsuitable chemicals and materials near the Product that could cause damage to the Product), such as chlorine, household bleach, strong acid or alkali-based cleaners, paint thinners and strippers, builder's rubble cement and adhesives and abrasive materials.
    - 1.4.2 Saltwater conditions in the case of metal-based Products.
  - 1.5 Warranty Claims are not transferable.
  - 1.6 The original proof of purchase must be retained and supplied for a valid warranty to be claimed on any Product.
  - 1.7 Warranty claims are limited to the replacement or repair of the Product purchased at Franke's discretion and will not cover any consequential damage.
  - 1.8 Should a Franke product be discontinued and require replacement under warranty, a similar product will be offered. However, should an equivalent product not be available a cash compensation will be offered at the original purchase price excluding installation.
  - 1.9 A warranty claim must be made within the specified period and must be accompanied by the original proof of purchase.
